How to Succeed in ESOL 3

Keep this page. Check your routine every week.

Our classroom is a place to USE English. Mistakes are welcome!

Why is this class different?

We only have **4 hours** of class a week (Tues + Thurs). That is not enough time to teach grammar **and** practice it.

AT HOME · 10 MIN
You look at it → **IN CLASS**
We practice it together

1. My week on the Course Map

Open the app → **Map** → this week. Follow the steps.

1. Words — Start before Tues

☐ Word Lab ☐ Flash Cards *5–10 min. Keep reviewing all week!*

2. Grammar — Start before Tues

☐ Look through the grammar guide. *You don't need to understand it all.*

3. Class — Tues & Thurs

Speak, use the new words, make mistakes! ☐ **Send me a question** in the app before class.

More practice — All week

Matching, Fill in the Blank, games. *We won't repeat these in class.*

4. Quiz — Required · Thurs

☐ Weekly quiz, **even if I was absent.** *Your answers show me what to practice next.*

2. I missed class. Now what?

Map → Find the week → Follow the steps

The Map is how you catch up. **We won't repeat it in class.** Always do the quiz.

3. I need more help.

- ☐ Tap **What you'll learn** under the week title.
- ☐ Look at the **Grammar Reference Sheets** pages it lists.
- ☐ Send me a question in step 3.

4. My goal: 15 minutes of English a day

Practice during everyday life.

Listen	Watch	Read	Write	Speak	Other
while cooking, cleaning, or on the bus	a short video in English	a book, a sign, the news	2–3 sentences about my day	out loud, to myself or a friend	help a friend, phone in English
☐	☐	☐	☐	☐	☐

I don't need to do everything every day. **Small practice makes a big difference.** Log it in the app: **Home → + Log**.

My study week: When can I practice? Write the time and what I will do. *Example: 7:30 bus, listen*

Mon	Tue class	Wed	Thu class	Fri	Sat	Sun
