Leading SPEAK

Matt & Marlie swap every block

Your job: get every learner talking. Talking matters more than perfect English.

First 2 min	Model one turn of the dice game. Answer, then let them ask you “Why?”
~22 min	Take turns around the table. Everyone answers. Everyone asks a follow-up.
Last 3 min	Each learner says their **best sentence** again.

Please do

- **Wait 5 seconds.** Silence means thinking.
- Stuck? Start the sentence for them: “If it snows, I …”
- **Repeat it back correctly.** Don't stop them to correct.

> Learner: “If it will snow, I stay home.”
> You: “Oh, if it **snows**, you **will stay** home? Me too!”

Adjust the level

- **Beginner:** Give choices. “Will you stay home or go to work?”
- **Stronger:** They make up their own *if* question for the group.

Leading WRITE

Matt & Marlie swap every block

Your job: help them finish a thought, then make one sentence better.

First 2 min	Show one example sentence from the paper. Point to the phrase bank.
15 min	Quiet writing. Walk around. Help with **ideas**, not spelling.
~9 min	Each learner reads one sentence aloud. The group helps fix one sentence.
Last 1 min	“Keep your paper. Finish at home if you want.”

When you fix

- Fix **one thing** per learner. Choose this week’s grammar first.
- Underline it. Let them try first. Then help.
- Say something good before the fix.

Block 1 only (6:00–6:28)

- WRITE starts almost empty. That's on purpose.
- Greet late arrivals and send them to a group: **5–8** → **READ**, **9–12** → **WRITE**, **13+** → **REVIEW**.
