East Side Neighborhood Association · Comment Card Nov. 16, 2026

Name	Karim Haddad
Street	Cedar Street
My concern	The streetlight in front of 18 Cedar Street is broken. It has been broken for 3 weeks, since October 26. At night the sidewalk is very dark. My kids walk home from the bus stop at 5:30, and it is already dark.
What I have done	I have called 311 two times. They gave me a ticket number, but nobody has fixed it.
My suggestion	I suggest that the city fix the light this week. If they can't, I recommend a temporary light. Can someone from the association help me contact the city?

Useful words for a concern

- **raise a concern** = tell people about a problem
- **suggest / recommend** = say a good idea: *I suggest that the city fix it.*
- **311** = the city phone number for problems like broken lights or trash
