Adults	Matt stays at **Station 2 (CARD GAME)**. Marlana stays at **Station 3 (TIME WORDS)**. Station 1 runs on its own.			

- **Why modified:** *Have you ever* was hard last week. Tonight = 3 longer stations (30 min), with one whole station on **time words**. The original 4-station set is in **week10/** for another day.
- **6:00 Writing warm-up (page 1):** everyone, at their seats. Walk around and read starred sentences. **Late?** Do page 1, then join your group's station.
- **Station 1 (pages 2–4):** about 12 min on pages 2–3 alone, then the *Have you ever* game together (page 4). Put the **Have you ever phrase bank sheet** on the table (group-handouts/phrase-banks/week09-have-you-ever.pdf, front side), or hand it out at the start. Not finished? Finish at home.
- **Print:** packet double-sided (9 pages) + phrase bank sheets for Station 1. Groups A, B, C (about 6 each). Tell groups their order out loud or on the board. Nothing to cut, no flyer.
- **7:46–end:** wrap-up, quiz reminder (Week 10 Quiz opens Thu 11/19, 6 p.m.). **Finished early** → verb charts (page 8) or write about you (page 9).

Leading Station 3: TIME WORDS

Packet pages 5–7 + app

7 min	**Page 5: why *have*?** Start with *do* (they know its two jobs). Then the two *have* boxes and the test: the word **after** have. Sort together. The backpack: *I have eaten sushi* = "I carry this experience with me **now**," so *have* really does mean something. For Spanish speakers: *tengo* un carro = own it, *he* comido = helper. English uses one word for both.
3 min	**The two boxes (page 6).** Link to the backpack: no date = backpack = have + V3. A date = the photo = V2.
4 min	**A. Sort.** Do *yesterday* and *ever* together, then let them try. Check out loud.
5 min	**B. Circle.** Rule: **find the time word first**, then pick the verb. Read each answer aloud as a group.
4 min	**C. Right or wrong?** The big error is *have + V3 + yesterday*. Ask: "Is there a time word? Which box?"
4 min	**D. The switch.** Read the model with one learner. Pairs talk first, then write. Listen for *When **did** you…?* (not *When have you…?*).
3 min	**E. App game, Round 1.** They write their score on the page. Out of time? They finish it at home.

Learner: "I have went to New York last year."
You: "Last year? That's a finished time. So: I **went** to New York last year. Nice!"

Answer Keys + App Notes

Week 10 modified · full key: packet-key PDF

The app game: Time Indicators (check it before class)

Title in the app: **Time Indicators: Past Simple vs Present Perfect** (activity id `time-indicators-sorting`, link: **/activity/time-indicators-sorting**). Open it on a phone before class to check it shows up for students. The page uses the app's labels: **Specified Time → Use Past Simple** and **Unspecified Time → Use Present Perfect**.
Round 1 only. It has *ever, never, yesterday, last week, ago*, plus *just, already, yet*: a sneak peek of Thursday's lesson. Say: "These go in the Present Perfect box. We learn them on Thursday!" Round 2 has *for, since, lately* (not taught yet), and Round 3 has the tricky *this week / this morning*. Fast finishers can try Round 2.

Page 1: Writing warm-up

Answers vary. 6 questions: *How long have you…?* (for / since) and *Have you ever…?* Each has a model. Common errors: *I ~~live~~ in Boston for 4 years → I **have lived**…*; *since 4 years → for 4 years*. A time word in the extra sentence (*last month*) → V2.
