Station 2: SPEAK (B and V) · Guide

Goal: learners **hear** the difference between B and V, then **make** it. No grammar teaching needed.

B **Lips together**, then pop. No buzz. *boat*	**V** **Top teeth on bottom lip.** Buzz! *vote*

3 min page 4	**Lips or teeth?** **SAY** *"B: lips together. Boat. V: teeth on your lip. Buzz. Vote."* • Show it big with your mouth. They watch their mouth in the phone camera.
5 min Part A	**A. Listen and circle** **SAY** *"I say one word. Circle the word you hear."* **1 vote · 2 best · 3 van · 4 very · 5 bet · 6 vase · 7 curb · 8 vent** • Say each word **twice**, at normal speed. • Then check answers: *"Lips or teeth?"*
4 min Part B	**B. Group game** **SAY** *"You say one word. Everyone points to it."* • You go first. Then go around the table.
3 min Part C	**C. Which sentence?** **SAY** *"I say a sentence. Circle a or b."* Read each one twice: 1. They counted the votes. **(b)** 2. This is my best one. **(a)** 3. Take my dog to the vet. **(a)** 4. Park near the curve. **(b)**
5 min page 5	**D. Read aloud** • Go around the table. One sentence each. • Fix **only** B and V. Let other mistakes go.
5 min Part E	**E. Talk together** • Read a question. Everyone answers. Ask *"Why?"* to keep them talking. • **Don't stop them** to correct here. Repeat it back the right way.

When they say it wrong

- Point to your **lips** (B) or **teeth** (V).
- Fix **one word**. Move on. Keep it light.

> "I buy bejetables." → "Oh, you buy **v**egetables? Which ones?"

If…

- **Too hard:** they repeat after you, word by word.
- **Finish early:** play **B vs V Minimal Pair Lab** in the app on the tablet.
- **Someone is shy:** read the sentence together.
